Please enter through
the Member Entrance.
For the health and safety
of our animals, some exhibits
may not be on view until
the Aquarium opens to
the general public.

*Tickets to the Member event on September 9 will go on sale in July. (Please note, this event was previously published as September 16.) Look out for more details in your upcoming e-newsletters, or you can visit montereybayaquarium.org/members.

Want More?

Visit montereybayaquarium.org for details about the stories that caught your attention and more.

Guests visiting this summer?

Treat them to a tour or adventure at the Aquarium, both of which you can easily purchase online.

The Deep Sea

Read the full interview with Monterey Bay Aquarium Research Institute's Lonny Lundsten about the mysterious "ghost shark"—only in *Shorelines* online.

Conservation

Learn how ocean plastic pollution affects seabirds and other marine wildlife, and how you can help stem its deadly tide.
